

What is Faculty-as-Coach?

The **Faculty-as-Coach** philosophy transforms the role of faculty from simply delivering content to actively empowering students—turning everyday interactions into opportunities for learning, growth, and lasting impact.

The **Faculty-as-Coach** program equips educators with essential coaching skills to support students with greater impact:

- Building trust and psychological safety in the classroom
- Practicing active listening to understand student perspectives
- Using powerful questioning to encourage critical thinking
- Fostering a coaching and growth mindset
- Empowering students to take ownership of their learning
